

SPRING CLEANUP

This coming Saturday, March 26, we will "Spring Clean our campus". Our primary activity will be to prune bushes and mulch our landscaping. Wallitsch nursery will be providing the mulch and will have some tools.

We really need a lot of help with this endeavor. Please come, and bring your family, friends and neighbors.

We start at 9 AM.

Lunch will be provided.

STORM DAMAGE

A large portion of a tree near the creek, broke off and damaged the Parish Life Center, during the Friday, March 18 storms. Two windows were broken, some roof trim and window casements were bent, and the exterior of the building was gouged. We notified Bill Zoeller, director facilities for the Archdiocese. Bill notified Catholic Mutual, our insurance company. Catholic Mutual has stated that repairing the damage is covered and we are authorized to seek repairs. Churchill McGee will be giving us a detailed assessment. The tree removal is not covered by insurance. Herman Wallitsch is obtaining help with the tree removal.
